### Police Crime Report No 295

Why Crown order 'you cannot sue for abandonment, prove abandonment is fraud'? Courts rule, 'law of probability' is the corner stone of justice. The million\$ money fraud entrapped 5 S. Court Judges. Mackenzie, White, Byrne overrule

### MUIR'S CONFESSED NO CLARITY

To mediate, disclose, 5 year gaol = clarity. Proof Muir is out of order. Hence CMC, LSC & deJersey's planned abandonment conspiracy to discredit and silence.

Premier 'Smart State' personal direction - Police Com checklist

CB CEO IT policy - Lord Mayor 'Can Do' promised press release

### WHY DISCREDIT AND SILENCE?

deJersey's confession / Courier Mail PR 25/10/05 "Barrister disbarred over loan fraud" proves multiple fraud, to cheat Comm. Bank customers for bank confessed self greed & self gain!

To create No1 bank by fraud.

Why criminology to crystallise the loss / DVD 'House of Sand and Fog' to clarify bureaucratic ficialism?

Why art of simulation / Asian UNI Degree / IQ explaining Asian success / order?

ABANDONMENT OF THE TRUTH?

Why Police checklist / next step by law? Proves Supreme Court / Legal Practice Tribunal fraud!

### Barrister disbarred over loan fraud

Mark Oberhardt Courier-Mail Tuesday, October 25, 2005

A FORMER prosecutor and barrister jailed for hatching a (*multiple*) fraudulent home loan scheme was yesterday disbarred. Davida Williams also (*To mean, confessed forger / fraudster / Tribunal fraud.*) known as Wilson, became the first barrister struck off by Queensland's new Legal Practice Tribunal and is believed only the second barrister in Queensland history to be disbarred. Chief Justice Paul deJersey, sitting in the Legal Practice Tribunal, said (*Proof of community abandonment, fraud charges hidden*) **Why were the rest of the panel silent???**

Evidence and proof of A. G. / Comm. Bank / S. Court / Legal Practice Tribunal conspiracy:

Colonel/Judge Pat Shanahan for the Crown directed "There were **14 cases** under investigation. Yours is the best case. (*Forgery easy to prove*) You can win this case if you study the court transcripts and the money trail." The Courier Mail PR is fraudulent by omission. The facts are, Davida has pleaded guilty to forgery. To our knowledge Davida used at least 5 different names, plus her maiden name Wilson. Hence a PR cover-up / trick to deceive you / fraud. To start with, forging Gary Armstrong's signature. (*You must study the rest*) He was one of many mums and dads and first home buyers cheated by the actions of the Comm. Bank Risk Manager Grahame Ledwidge who has paid \$25,000 to admit liability by law. (*Trap to prove bank liability*)

Initially we were advised the ex-DPP Barrister / prisoner Davida Ellen Williams was to receive a suspended 3 year prison sentence (*a joke*). Being supported by DPP 'whistleblowers' backed up by Davida's family, why a 2 year delay on remand to gain Davida's six month gaol term? (*still a joke*) Encouraged by Premier Peter Beattie's speech for advocates, sponsors and volunteers, Lord Mayor Campbell Newman's promised PR and Police Com. Bob Atkinson's council speech / plea for assistance, Chief of Staff Super Peter Martin, Area Com. Super John Hopgood and Brisbane City Council / Crown direction, we followed law reform as ordered. Criminology proved the Supreme Court Judges Mackenzie, White, Muir, Byrne and deJersey to be the technical solution, to work with their strength. The majority directed to mediate and give disclosure. Hence Crown experts including the ex-CIB Detective / Legal Ombudsman Jack Nimmo directed, to concentrate on the main objective / confessed Comm. Bank fraud. The bank's intention to overtake the National Bank and be the No1 bank in Australia based on the Risk Management policy that any fraudulent mistakes made along the way could be hidden by what is referred to as the bank's 'corporate veil'. An

agreement using a fraudulent method well known and accepted by the courts and community. Hence **we set multiple \$10,000 traps** with our accountant Tim Allen and our valuer Terry Buckley / defendants and key witnesses, who have shown great distress because of their dependence in working with the banks on a daily basis. Grahame Ledwidge's belligerent attitude not to confess the truth received a warning by the Qld Law Society President Ferguson quote "**Not to let matters of this kind run out of control.**"

- The ex-A. G. Minister Rod Welford protected Davida as an ex-Uni friend. He was not knowledgeable about her later life as a sociopath, forger, fraudster and now self confessed criminal. Hence his direction for Police admin / S. Court mediation to write Police Crime Reports backed up by the Premier "**To find a solution.**" By law, Grahame Ledwidge gave a part confession of guilt, blamed the Relationship Manager and made a fool of himself by ignoring the advice of Chris Watts **his boss and mediation expert**. In breaking the law to ignore the ACCC versus the Comm. Bank ruling by Justice Susan Kiefel for increased valuation P.C.R. 261-2 "**To study the bank product and the bank customer.**" In brief, to mean, not to be selfish and self centred and think only of fraudulent bank profits above customer service. As Barrister for the Legal Services Commission Mr. MacSporrnan confirmed "**The protection of the community has to be paramount.**" In striking off Solicitor Mike Baker. (*Watch as the dominos fall for law reform.*) Hence Chris Watts advice as mediation expert quote "**To defend our mothers at all cost**" and his added comment "**You have a big thing about teamwork.**" To mean, the importance by law to run the argument based on **a team of defendants**. Our multiple losses were caused by Grahame Ledwidge's fraudulent actions in not confessing to the truth. Identified by Colonel/Judge Pat Shanahan, quote "**Grahame Ledwidge should have directed to redraft the sales contracts, have them signed and then rip up the old contracts.**" Please refer previous Police Crime Reports / SAA reform.
- Hence Chief Justice Paul deJersey's confession. "**Davida is to appear in Court in the Magistrates Court Southport on the 26-10-05,**" having been told by DPP 'whistleblowers' as Davida has pleaded guilty again, and on a QC's opinion is most likely to receive a 5 year gaol term. Check the evidence, **Davida forged a Solicitor's signature after pleading guilty to a string of offences**. Why were the fraud charges directed by our Area Commander Super John Hopgood and supported by Chief of Staff Super Peter Martin dropped by an A. G. / Comm. Bank conspiracy? Why study the trail, CIB Det Sgt Trevor Kidd, Fraud Squad Det Sgt Brett Heath, Insp Ray Loader through to Asst Com. Pat Doonan, now reaching Chief Justice Paul deJersey? Why the editors and journalists request to break the silence of Lord Mayor's promised PR to over-ride now proven Tribunal fraud? To backup Police

Commissioner Atkinson's plea for help quote **"I am only one person"**, to lay those hidden fraud charges.

- Hence the need for the political input of both the Premier Peter Beattie and the Lord Mayor Campbell Newman and their support teams. They confirm that cases of this kind cannot be resolved at community cabinet meetings, nor at neighbourhood fairs, but in their kindness directed us to meet with the Police Commissioner and **his team** as **volunteers to initiate a procedure to reverse organised crime**. This now leads to their direction to the reason why the Legal Services Commission was established. To have a Legal Practice Tribunal to investigate the confessed fraudulent matters that create losses of up to a \$20 billion a year. **Fraud is Australia's No1 crime.**
- We now draw your attention to the L. S. C. failure to ignore their own Barrister Mr. MacSporran's directions for community protection to backup Colonel/Judge Pat Shanahan's direction **"To prove abandonment is fraud."**

Ref: SAM: 71000678 13-10-05.

The specific quote "I wish to put you on notice that I will be objecting to you appearing before a tribunal **as you are not part of the proceedings.**" *(By law we are the primary witnesses, after losing millions to gain the Barristers imprisonment. Thus proving abandonment is fraud in this tribunal.)* "In the meantime if you wish to discuss this further or require any further information in relation to the application, please do not hesitate to contact Mr. David Finch, on 3406 7737."

Robert Brittan  
Complaints Manager  
Legal Services Commission

- Please note my son is prepared to swear on the Bible that he spoke with both L. S. C. staff, Rhonda and Lisa in an effort to discuss this matter with David Finch and was told on each and every occasion **"Mr. Finch is at a meeting and he will ring back."** My son will also swear **"He never**

**received a phone call from Mr. David Finch.**" In brief, he was directed by the Qld CMC and the L. S. C., quote **"You may have got your Barrister into prison but you won't get your money back, so why waste your time?"** We concur with our original Barrister Paul McQuade, quote **"You do not get justice in the Supreme Court. Always look to mediate."** Hence our support for the Com. of Police and his battle against organised crime to lay fraud charges **to prevent crime.**

- On the conduct of the tribunal, my son stood armed with an affidavit setting out relevant matters specifically concerning the conduct of the ex-DPP Barrister / prisoner Davida Ellen Williams. The Legal Services Commission refused to discuss this matter further thus not supporting the Premier's and the Lord Mayor's intent for law reform. As directed by the A. G. Dept Barrister / direction quote **"We do not give justice, the Courts give justice."**
- The tribunal was not prepared to take on board any written or verbal information due to the L. S. C. misconduct to abandon our case. Why have a Tribunal of three where we were gagged and not allowed to converse with the other panel members, whose body language showed interest in our story of multiple fraud?
- We can prove over a 3 year period in Magistrates Court Holland Park 422/2000-2, that Davida was responsible for the loss of our 22 block subdivision, where the Head Contractor confessed quote **"If I go down, lots of people will go down with me."** His Solicitor James Conomos is yet to front the Tribunal for planned litigation / liquidation by fraud. The conspiracy now stands at the door of S. Court Judge Paul deJersey. He should not protect the A. G. / Comm. Bank conspiracy. Grahame Ledwidge has still refused to confirm the Crown's confession / brief. Grahame Ledwidge directed, to rip up the 'For Sale' contracts for land, based on their Relationship Manager James Pitman's instructions quote **"If you want the loan do as the loan agreement reads."** Yet Clark and Kann bank Solicitors confirmed this with S. C. affidavit 4461/2001.
- Reference law reform, the importance for you as a reader to play your part, to gain S. Court clarity. The Comm. Bank's fraudulent claim given by Grahame Ledwidge in writing was quote **"The bank does not give disclosure to bank's business."** To go directly against the order by S. Court Judge Margaret White for disclosure by law. Instead they paid \$25,000 and gave a part confession of guilt and blamed their Relationship Manager. Why have they not given a full confession of guilt? Why try and hide behind the CMC, L.S.C, and the Tribunal by planned abandonment, as confessed by our sociopath / ex-DPP Barrister / prisoner? (Perhaps that is the reason why Davida became a sociopath.)
- Hence the importance for law reform. If you are guilty of a

crime and not prepared to confess your guilt, but prepared to destroy the defendants in an effort to avoid admitting guilt or to blame them by the **proven abandonment of the truth**, we have proved as directed by the Crown **"Abandonment is fraud."** Hence the importance by law as a Judge or Magistrate to be guided by the truth. Truth begins by supporting the Police checklist as directed by the Brisbane City Council Internal Investigation Department, who confessed **"We do not have a Police Force. Please set out this case so the Qld Police get the credit for a job well done."** Hence by the direction of honest Crown / Comm. Bank staff / DPP **'whistleblowers'** and Brisbane City Council experts, we have exposed organised crime. Hence by law in exposing the prisoner's confession quote **"You would be surprised what goes on behind closed doors, abandonment."** You have by law, the evidence and proof as we are proven innocent, as volunteers we support the Crown by giving our money. **We used a \$10,000 insurance scam which totally confused S. C. Judge Muir.** By his own confession, we have further exposed this A. G. / Comm. Bank conspiracy. **To explain the principle of how \$20 billion is lost to organised crime.** Hence due to the obvious, this can only be resolved by the next step.

- The Lord Mayor Campbell Newman backing up the Police Commissioner, supported by the Premier Peter Beattie, in giving a press release. To assist the CEO of the Comm. Bank Ralph Norris replace the confessed and proven idiot factor of Risk Management. As proven by law quote QC Walter Sofronoff **(current Crown assistance on terrorism / law reform)** **"Neither side will be happy with the outcome."** Hence the Crown's direction for **Rescue Management. To create the cure by law reform**, in creating **'law of abandonment.'** Necessitating the Police checklist / criminology, backed up by the Police Com. Bob Atkinson and his plea for help for advocates, sponsors and volunteers to ensure
