## WHY COMMONWEALTH BANK DIRECTION TO FIGHT MULTIMILLION \$ FRAUD?

### WHY PROTECT YOUR MOTHER AFTER YOUR FATHER HAS PASSED ON? HOW IN THE END YOUR MOTHER PROTECTS YOU?

A story of a bank, 'bagman', Barrister / prisoner Davida Ellen Williams, forger, fraudster who has taken 4 years to get into prison, now out on bail. The joke is, she is set down for Supreme Court Brisbane 24-10-05 to apply to again practice law. The need to think outside the square we live in. **Organised crime is real. The need is for legal counsel and accountants to launder money.** We were threatened "If this was Melbourne we would be blown away in the street." After a successful \$255,000 'slush fund' was created to pay for the fraud, then came a failed \$200,000 extortion demand with 9 attacks reported to the Police and culminating in an in-home invasion and nun chucker attack and failed \$47,962 extortion demand by 2 professional thugs. **Hence we had enough;** we created entrapment having the details and photographs of a false 300% \$10,000 insurance scam demand, as previously working in the Brisbane City Council Inspection Section we were familiar with this form of fraud. To create an answer to the Magistrates Court direction to these vexatious acts. The Brisbane City Council Internal Investigation Department directed "Set out this case so the Queensland Police will get the credit for a job well done." Baseline Civil Engineer John Koek directed "You must finish the subdivision, pay out the subcontractors and then lay fraud charges." We underestimated Grahame Ledwidge's confessed Commonwealth Bank Risk Management scam. The conspiracy involved the 'Barrister from Hell' who did more than just abandon our case, she set about destroying our lives. She confessed "You would be surprised what goes on behind closed doors, abandonment!" Later stating "You suffer from information overload." The Commonwealth Bank, the Police Operations Branch (Kidd, Heath, Loader, Doonan) Supreme Court Registrar Ian Mitchell, Accountant Tim Allen, ex-Attorney General Rod Welford, the Courier Mail 'Public Notice Section' denial to print "Supreme Court disclosure solution [www.all-fraud.net](http://www.all-fraud.net)", Supreme Court Judge Muir, District Court Judge Brabazon, Magistrate Austin and our Solicitor Reg Klieidon's confession are evidence and proof of the Commonwealth Bank's quote "We have ways and means to ensure mediation is to our satisfaction." Also in writing "The Commonwealth Bank does not disclose bank business," even by order of Supreme Court Judge Margaret White. The Commonwealth Bank's quoted policy is clear, "The Commonwealth Bank fights right down to the line for confessed self greed & self gain." Hence proving abandonment is fraud. Please correct!!!

Why Premier's 'Smart State' correction? Where is Fraud Squad's Det. Serg. Brett Heath's missing video tape for Det. Serg. Trevor Kidd fabricated charges hidden by the prisoner's A.G release scam? See [www.all-fraud.net](http://www.all-fraud.net). Why ex-Police Minister Tony McGrady knowing the scam, now Minister for Innovation and Change, allow his staff abandonment. Reference P.C.R. 269 approximately 200 letters returned, why Government threats? \* \* \* \* \*

### Why Old. Flow Chart for confessed Commonwealth Bank, 'bagman's' & Barrister's multiple group fraud?

How Premier's, Lord Mayor's, A.G.'s or Police Minister's press release will resolve these crimes?

Why assist new A.G. Minister Linda Lavarch disclosure with the law of accession & association (abandonment) to ex-DPP prisoner D Williams confessed multiple fraud? Due to ex-A.G. Rod Welford's confession due to University friendship, he now agrees he was duped by the prisoner. WHEN WILL WE HAVE THE CORRECTION?

Proof of group fraud ex-DPP Barrister Williams scam CA No 429 of 2004 DC No 1072 of 2003 De Jersey CJ, McPherson JA and Chesterman J. Fresh application to practice law 24-10-2005 Study Davida's A.G. joke 'plea bargained 3 year prison sentence for \$1.3 million bank fraud only'. Hence proof of bank conspiracy to abandon mums & dads investment funds, first home buyers, bank customers & developer, P.C.R. No 182-282. Why no fraud charges outside of bank control? \* \* \* \* \*

WHEN WILL WE HAVE LORD MAYOR'S PRESS RELEASE to Police Commissioner Bob Atkinson's BCC Internal Investigation Department's correction! See P.C.R. No262 John Dwyer Precinct Manager witness made it clear "I wish I could get someone to stick to a quote." To prevent fraudulent budget blowouts that destroy our lives.

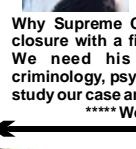

Why ignore CIB evidence, 'bagman's' handwriting & signature on extortion demand and 4 Sale sign, in-home invasion and nun chucker attack & A.G. Release scam not to sue Police for wrongful arrest? Designed to crash sales to create planned liquidation to claim ownership of subdivision for self gain. Reference P.C.R. No 191 & 272. \* \* \* \* \*

Why Bar Association Confession of guilt? Why is ex-con Barrister their problem? Is confessed legal abandonment both malpractice and fraud? Is abandonment their only defence? Hence the law of accession, association and abandonment to complete the set under court direction for law reform!

Why enforce SAA rule 27.2, to allow access for Local Government site supervision? Engineering evidence & Insurance Council's correction to fraudulent claims? Why 300% \$10,000 insurance scam demand? After \$255,000, \$200,000 and \$47,962.97 false claims failed with a 5 year Supreme Court gaol term warning. Why expose the fraud of Magistrates Court Holland Park 422/2000-2 'bagman's' perjury to insurance scam trigger / entrapment PCR No 182, 198, 272, etc, to liquidate in the Supreme Court.

Why Supreme Court Judge Byrne to bring closure with a five year gaol term warning? We need his support and clarity to criminology, psychology and mathematics to study our case and to enforce the law. \*\*\*\*\* We all need hero's.\*\*\*\*\*

Why confessed Comm. Bank fraud by payment of \$25,000, to admit liability and ignore lawful correction? Why backup Grahame Ledwidge Risk Management disaster against three other bank managers sacked, transferred and ignored. Study P.C.R. No's 245, 261, 272 & 280-3.

Why L.S.C. smoke screen, instead of accountability for loss to mums and dads investment funds and first home buyers, bank customer and developer, due to fraudulent insurance claim creating vexatious liquidation in the Supreme Court? Correct the crime first, then prevent the Prisoner from practising law.

Supreme Court Judge Muir entrapped by Vexatious Litigants Act reference Magistrate Austin - District Court Judge Brabazon, Ex-DPP Barrister D Williams - insurance scam fraud & Disputes Resolution Centre & Arbitration scam.

Why Q.L.S. Warning? Reg Klieidon's Solicitors quote "I will swear in court I did the best I could" under the 'Barrister from Hell.' His direction study Solicitor James Conomos / action Magistrates Court Holland Park 422/2000-2, PCR 273. Why multiple perjury / 300% insurance scam? Why backup 9 honest Solicitors to expose confessed Com. Bank, 'Bagman' & ex-con Barrister fraud? On standby to backup Police Com Bob Atkinson?

Why Sisters of Mercy Risk Management? Comm. Bank payment of \$ 2 5 , 0 0 0 , accountants \$ 1 0 , 0 0 0 damages confessions of guilt? John Gagen's ex-Comm. Bank Manager's direction "The bank will fight right down to the line." Hence with 283 Police Crime Reports, who else would take on the Supreme Court?
