

JUDGES GREATEST FEAR! (Side 1)

Study
SMART

1/ **High Court Judge Kirby's law reform***:- "To put an honest person in prison", therefore with a soft or cheated Judge by hidden perjury it is estimated up to 90% of criminals could walk free! This creates up to 90% of victims of crime.*****

2/ As proven superfund victims, I met with Supreme Court Judge Ken Mackenzie under witness before his death. Mackenzie reported Chief Justice Paul deJersey refused his plea to support his 'mediation order' as **QLS proof of abandonment.*****

3/ **'Life is not fair' created the Fair Trading Act:- It's okay to make a mistake but for each time the 14 Judges on our QLS law reform \$10,000 model test case cover up their mistake / scam it adds to the HEHS superfund / community cabinet ATO reward, therefore,**

Our ref:1011207845488. Thanks to our ATO case officer Paul Conde Hobart's frustration and agreement with Chermiside / Bne ATO whistleblower's direction, refer our evidence dated 07-11-2012. Conde has confirmed his plan to resign the same day. This supports Colonel / Judge Shanahan's, ATO TonyCoburn and Area Commander John Hopgood's findings that this is the best QLS case for law reform.
To prove both the ATO and superfunds are joint **victims to this site solution racketeering scam.**

- LSC reform for Chief Justice Paul deJersey's, Chesterman and McPherson panel down:-**
- (i) Solicitors James Conomos, the 4th Solicitor's staff perjury in case 422/2000-2 HP will prove without doubt by photographic evidence they accepted the Head Contractor / 'bagman' Rob Wilson's offer to run the 'Site Solutions' protection racket.
 - (ii) Our CBA blackmailed ex-QDPP MOB Barrister Davida Williams to stay out of prison for her 6 bank \$1.3m scams for her 2yr pardon only to finish up in prison as a QDPP prosecution expert style cover-up. (TBC)
Co-victims of crime:-
 - (iii) Magistrate Austin, case 422/2000-2 **3yr farce** HP, who fell for this \$10,000 EPA Sect. 32 **sabotage** 'Site Solutions' trigger. Austin confessed "I do not care what (anyone from) the Police Minister down has to say." When it's obvious the Crown must act on **perjury** also identified by the Asst. Commissioner 'whistleblowers' Judicial Review Act method and solution.
 - (iv) District Court Judge Charles Brabazon who acknowledged Davida's scam and said "This is not the way to do it," But failed to act.
 - (v) Supreme Court Judge John Muir's question "Why liquidate a 22 block subdivision for \$10,000?" An obvious legal stress test model.
 - (vi) Supreme Court Judge Margaret White failed to comply with her own CBA 'disclosure order'.
 - (vii) Smart Supreme Court Judge John Byrne smelt a rat and warned the penalty for this crime is a 5yr gaol term but still failed to identify the perjury known as criminal Code Sect. 391 & 399.
 - (viii) Chief Justice deJersey and his panel gagged debate preventing **crime prevention** to discover the ATO biggest town planning, subdivision and construction industry bikie assisted protection racket.

FOCUSED LEADERSHIP IS OUR SOLUTION!

- 1 a/ Premiers Goss, Beattie, Bligh and Newman all support our Fitzgerald Community Cabinet wellbeing / crime prevention program. To standardise this QLS, Bar Association and LSC law reform. To mean, do not hide the fact that in our case 14 Judges were tricked, cheated and deceived by both a corrupt Solicitor and Barrister. b/ It's time to confirm '**I also trusted Davida, who abandoned our case under blackmail to protect the CBA loan agreement mistake.**' This was confirmed by Commissioner Stewart's statement, to mean, **one mistake leads to another.** This opens the door to the '**Site Solutions' liquidation scam.**
- 2 a/ I believe the solution comes from what I learned in Church as a child, '**to keep the faith**' and in prison reform. I had the right teachers from the Prison Controller General down. Now the QLS, ATO, ASIC role to double check unsolved CMC cover-ups. Check the CMC FOI to prove **complete abandonment.** b/ Focus on the ATO 10yr failure. To prove the local Bne tax expert Tony Coburn's trigger instead of hiding the laundered money trail in Perth and Hobart, etc. c/ The technical solution is called a '**crime circuit**'. We have an **open circuit for crime.** The need for a focused local Wynnum district crime control correction courtroom model. d/ Start off with one honest person (i) Wynnum Police Snr. Const. Max Williams acting for the BCC site inspector Gary Kopp. (ii) Police Media suggest Prof. Paul Wilson's work experience **corruption free students.** (iii) Confirmed by the Police Union. (TBC) (iv) To teach CIB Det. Mark Hughes how to set out this case for a CMC correction. To support Insp. Les Hopkins direction for a full CMC investigation into Police Risk Management who fraudulently charged me with theft, child assault and molestation as a QDPP style crime protection **character assassination model.*****
- 3 a/ Now consider our motive. (i) Life expectancy is around 83yrs of age. **Our superfund profit was stolen when we needed it most.** (ii) Study and copy the CBA Storm investment scam. Our mother's mortgage condition was arranged by John Gagen, care of Tim Allen, our accountant. **One scam was to steal my 93yr old mother's home.** (TBC) (iv) With no law of abandonment or the RICO act we suffered the fate of a victim of crime and we too want our stolen money returned. b/ Our civil and electrical engineers reports are ready, in line with the electrician and plumbers Police crime and court reports, the accountant's damages report and Dr. Frank Walsh's psychology and Dr M Simpson's report, **this case could last 2yrs or more.** Therefore, Premier Newman has to show leadership and honour his original '**picnic in the park**' promise, to solve this **Police Risk Management protection racket.** c/ Thanks to Solicitors & staff of P. M. Lee & Co and Russel & Company (*last address Level 8 GWA House, 10 Margaret St Brisbane*) and Carl Bluman, they notified our Solicitor Grants Lawyers, attention Adam Sambrook of their client's '**Site Solutions**' protection racket. Trilby Misso & Company (*acting for Rosenlund Plumbing Pty Ltd, identified the Head Contractor Rob Wilson's non-payment scam to prevent completion*), Rouyanian & Company Lawyers (*gave an opinion on Baseline Civil Engineers confirmation of the Project Engineer Henwoods excessive payments for extras*).
