You can solve organised crime, **if you know where to look?** Follow Police Comm. Stewart's clue **"Most crimes start off as a mistake!"** How 14 Judges working in series compounded this same CBA mistake, where QLS law reform Judge Pat Shanahan explained the solution.

It took 3yrs for Magistrate Ian Austin to be tricked, cheated and deceived. Austin, the CMC and LSC Barrister Scott McLean **ignored perjury as photographic evidence** from (i) the Head Contractor / 'bagman' Rob Wilson. (ii) His 4th legal counsel. (iii) Our ex-QDPP MOB Barrister Davida Ellen Williams; refer case 422/2000-2 HP, as proof of vexatious sabotage!

Our ref:1011207845488. Thanks to our ATO case officer Paul Conde Hobart's frustration and agreement with Chermiside / Bne ATO whistleblower's direction, refer our evidence dated 07-11-2012. Conde has confirmed his plan to resign the same day. This supports Colonel / Judge Shanahan's, ATO TonyCoburn and Area Commander John Hopgood's findings that this is the best QLS case for law reform. To prove the ATO, superfunds and subcontractors are **all victims to this site solution racketeering scam.**

★ THE QLS / COURT REGISTRARS SOLUTION! ★

4/a

Under Supreme Court direction, at a meeting with the BNE and HP Magistrate Court Registrars, I was told, quote **"We cannot give legal advice but we suggest you study the Vexatious Litigants, Fair Trading and CMC Acts."** b/ In brief, to mean, the crime cartel traded inside our justice system aided by the CBA and a small Police group known as **'Police Risk Management'** to protect the CBA loan agreement mistake (**at any cost**). *** Their aim, to gain my character assassination by 3 false charges so you would not look for the obvious superfund, subcontractors and ATO loss to resolve this **'Site Solutions'** protection racket. c/ That was then, **the new evidence**:- I was told last week by the caring court Registrar the Vexatious Proceedings Act has been amended. It's no longer possible for a rogue QDPP Barrister like Davida to use these scams. All Davida had to do was:- (i) con me with her poor health to work for me at \$20 an hour and not her normal \$3,000 a day to destroy the key CBA loan agreement and our case to protect the CBA to gain a pardon for her 6 bank scam. **The NAB were not happy!** (ii) Davida then tricked both a friend and workmate, the then Justice Minister Rod Welford, who trusted her, and gave Davida a pardon. Welford, like Assistant Commissioner Pat Doonan was forced to apologise and resigned for **'abuse of public office'** and **'obstruction of justice'**. As proof, Welford gave this case to the Police Minister Spence to resolve. (iii) Davida went to prison for her 6 bank scam as a separate crime to ours. (iv) Spence advised I set aside this (\$1mil) budget to correct this **'Site Solutions'** protection racket and prison law reform. (v) The model we used is called **'victims in common'** or teamwork. HOW TO BYPASS THIS QDPP / ATO PROTECTION RACKET!

Step 1/.

Use both Criminal Code Sect. 391 & 399 to expose both the QDPP release not to sue the Police for false arrest, our laundered money trail, the EPA Sect 32 sabotage to gain liquidation with the BCC site inspector's explanation, Baseline Civil Engineers report and our Accountant Tim Allen's '**damage report**'. In brief, to mean, follow the SAA principle and trust the engineering facts. I was given multiple legal advice to prove CBA guilt by accepting their offer of \$25,000, **as their first step by law to prove liability to gain final proof of guilt.**

Step 2/.

(i) Focus on the 9 Police Crime Reports. **The Police Union and Prosecution confirming the key report of Wilson's assault by the Rev. Michael Veary's family went missing.** *** As proof of violence and non-payment to the subcontractors to build our subdivision just short of completion, **a well known racket to site inspection experts. The scam is to prevent me (the developer) from selling the project** to make our HEHS superfund profit, creating fraudulent liquidation for Wilson to become the creditor to pay the kickbacks and bribes to the crime cartel. (ii) As proof, the bank paid all Wilson's legitimate claims but Wilson did not pay the plumber / drainer in full to prevent completion. (iii) With a new more senior project engineer John Koek / Baseline Civil Engineers all extras up to 300% over cost stopped. This caused Wilson to use caveats and to upgrade his violence to a nun-chucker attack where both my mother and myself were given a copy of a false invoice believed by Det. Insp. Trevor Kidd as to be a valid claim for \$47,691.97. Kidd has since been transferred to Mt Isa, and we gained a QDPP release. (iv) Mum was told, as a mortgage condition to her home, if she did not pay this fraudulent invoice she would lose her home. Mum believed she would be forced to live in a caravan. **How sick is that???**

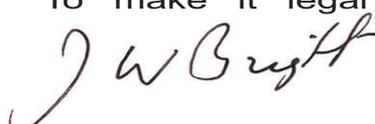

Step 3/

ASIC confirmed via Helen Armfield (i) Area Commander Steve Pettinger wasted 4yrs and exposed this Police '**civil matter scam**' "**This case is outside the control of the Qld Police.**" If you believe that, I put it to you, **you have been cheated!** (ii) Police, CMC, LSC and all Judges must be accountable to the Crown / Treasury Dept. to check an alleged estimated ATO loss of \$460,311. Therefore, when Davida confirmed to be a MOB Barrister, who caused the joint failure of the first CIB, Fraud Squad and court case investigation, smart Area Commander John Hopgood and **his support team** engaged me as both a Director of our HEHS superfund and a prison reform consultant, to help CIB Det. Mark Hughes set out this extended case to lay criminal charges.

Step 4/

This caused former Premier Peter Beattie to introduce me to Police Comm. Atkinson, who put the now Assistant Comm. Peter Martin, now in charge of the PESAC, to resolve this case. Where Martin as Chief of Staff was ordered by Doonan to say, quote, "**Due to Police availability and time this case is closed.**" Martin can now explain to Premier Newman the Crown's options (i) To allow the Supreme Court to now **rule on the previously hidden evidence.** (ii) To acknowledge the vexatious nature of this case and provide his promised press release to the Courier Mail followup story where additional charges are pending. This enables our new Police Minister Jack Dempsey and our new Justice Minister Jarrod Bleijie to help reduce our \$billion blowout. We have proved how subdivisions and construction sites are used by criminals to become creditors by volunteering this \$10,000 EPA Sect. 32 sabotage / liquidation model.

**THIS MODEL IS USED TO PAY ORGANISED CRIME,
TO ABANDON, LITIGATE, LIQUIDATE = ALL-FRAUD.**
