Our ref:1011207845488 or Phone Paul Conde complaints 132569 ext 10353 - PO Box 9990 Hobart Tas, for ATO approved solution to protect Bne. ATO investigator Tony Coburn and his team 07 3213 5181 as a S. Court witness to confirm (i) yes my Barrister is a criminal. (ii) Under witness Coburn has been refused the right to act as a 'whistleblower'. (iii) Conde has written to me to withdraw this crown evidence, as proof of 10yrs of Police threats and cover up's to cheat the Treasury Dept. the Perth ATO estimate at \$460,311. So answer the Perth ASIC question
"Who stole your money?"

Insp. B W Cross 6 photo re-enactment of bikie nun-chucker attack. ↑

Step 1/ The fraudulent CBA loan agreement.***

Step 2/ The initial \$30,000 paid to prove the protection racket and laundered ATO money trail correction.***

Step 3/ The body of this crime:- (i) Our Accountant Tim Allen's \$10,000 paid for '**damages confession**' of guilt, as a brief to our 2002-3 superfund tax loss. (ii) Baseline Civil Engineers **loss report**. (iii) The insurance assessor **loss report**. (*A blueprint of Case 422/2000-2 HP of the hidden \$10,000 EPA model by the ex-QDPP MOB Barrister Davida Williams plus the Rev. Michael Veary's hidden Police Crime Report on racketeering and assault. TBC*) *** Therefore:-

JUSTICE EARN

★ **HOW TO SOLVE THIS SITE SOLUTIONS SCAM** ★

1. a/ Use the CBA approved valuation by JF & Pike Civil Engineers. b/ The QDPP quote "**We need hard headed business people like you who never give up.**" (*As proven prison reform consultants where fraud is taken as a joke, for prisoners to serve their time and then spend their profits from crime.*) **Police Admin directed I set out this case for CIB Det. Mark Hughes to lay criminal charges. SO WHY WERE CHARGES NOT LAID?** c/ Instead of the ATO acting on our accountants '**damages confession**', the ATO passed off and used it's Risk Management policy to claim half of what was left of our HEHS superfund after the CBA / ASIC Bne cartel cover-up and the sabotage of the '**Site Solutions**' scam. The ATO must work with ASIC Perth, **who acknowledged this scam as a standard racketeering procedure.** d/ Starting our superfund subdivision at 58yrs of age, I am now 71yrs old, so as Centrelink and Atkinson have explained the Crown have an over 70 protection policy to allow us to live on what is left of our superfund, on the understanding that they claim on our estate, where by law I am the key primary witness and victim and are accountable for our superfund beneficiaries. **The crime is that I will not be there as superfund director to protect our superfund victims.**
2. a/ Therefore you must accept the standard Police medical report / Redland Bay Hospital procedure, refer Insp. Janelle Harm, **that I am of sound mind. Therefore, I demand ATO closure prior to my death.** I was given legal advice by the Qld Bar Association that not one Qld Barrister will defend my case against the CBA. (*If this Police \$1m budget was to fail our community cabinet solution.*) b/ I believe crime prevention is the solution and this explains in part why Doonan had me fraudulently charged with child molestation. I support the Police, QLS, ACCC, ASIC, APRA, Fair Trading Act, etc, **to upgrade the Little Black Book of Scams, to educate and train all Australians from a High School level. TO DEMAND JUSTICE NOT CHARACTER ASSASSINATION.** See over for QLS details to 14 Judges court transcripts to this QLS reported "**BEST CASE FOR LAW REFORM.**"

giving options to:-

Manager Brett Stevens,
CBA, BCC / IID, DVA, RAAF, RSL / Gold Card No QX 072250,
Q. Premier C. Newman's promised press release,
P.M. Gillard for Prof. Paul Wilson criminologist work experience student's QLS solution.

1. As **research, development and simulation training** is our international area of expertise, consider the ACCC / ASIC ban on pyramid sales as a proven sales protection racket to solve (i) these Ponzi, AWB / RICO, **CBA / Storm Investment convoluted style scams to trick investors.** (ii) For example, my mother for \$110,000 to mortgage her home to fund these scams out of their own investment capital. (iii) Threat to pay a false protection subdivision invoice for \$47,691, (iv) to fund the '**Site Solutions**' scam, (v) or lose her home as a 1% Badja Pty Ltd / **superfund shareholder condition to her loan.** (vi) The proven subprime mortgage loan scam, another time bomb scam controlled by increased interest charges paid for upfront **instead of in proportion to the loan.** To provide a fraudulent debt free property return to the bank after a planned 5-10yr period **to gain the inflated benefit.** (vii) The '**Site Solutions**' scam controlled by Police abandoned construction site bullying, violence and sabotage to gain a false liquidation to become creditors to pay the corrupt racketeering RICO style kickbacks and bribes. (viii) Asst. Comm. Doonan's confirmed Police Risk Management Dept., **a Police inside trading cartel to provide character assassination to hide this CBA scam.** (ix) Now focus on the proven Nigerian Inheritance scam to promise to inherit \$millions as a trick or illusion **to gain a fraudulent 'come-on' style handling charge.** (x) To expose the Police Commissioner Bob Atkinson's Centrelink confirmed ATO act of abandonment for 9yrs, then set the precedence to falsely claim \$460,311 plus interest as half of what was left of our superfund, then collect the rest with added costs and interest charges, **cheating my partner and family after my death.** *** (The fear of losing the family home.)
2. a/ The scam to bypass the failed fraudulent 14 Judges style legal action to wait until the over 70yr olds are deceased to work on the '**soft option**' **to automatically garnish our estate.** b/ Therefore, we demand an answer for this '**community cabinet**' **QDPP Justice Minister Rod Welford's apology** for a failed Police Admin, P. Union, P. Prosecution and P. Media 6 step '**ATO time bomb**' solution. This was exposed by P.M. Gillard as a forced, quote "**Fire Sale**" concept to fund the Police Minister Spence's requested (\$1m) budget to lay criminal charges for this Supreme Court warning, to a 5yr gaol term, as the penalty to gain **THE ATO RETURN AS THE PROFITS FROM RACKETEERING.** Criminal Code Sect 399 explains the QLS request to prove '**ABANDONMENT IS FRAUD**'! Therefore with a Supreme Court mediation order for Supreme Court ordered discovery as to why the CBA paid me \$25,000 to admit liability and sack their Loans Manager. **See over for Prof. Paul Wilson's Police preferred Centrelink / ATO correction.**
