Our ref:1011207845488. Thanks to our ATO case officer Paul Conde Hobart's frustration and agreement with Chermiside / Bne ATO whistleblower's direction, refer our evidence dated 07-11-2012. Conde has confirmed his plan to resign the same day. This supports Colonel / Judge Shanahan's, ATO Tony Coburn and Area Commander John Hoppgood's findings that this is the best QLS case for law reform. To prove the ATO, superfunds, subcontractors and mothers are **all victims to this site solution protection racket.**

★ HOW RICO TORTS ARE LEGAL FRAUD? ★

- a/ Also known as legal insider trading for money laundering kickbacks and bribes. As proof, the CBA care of Grahame Ledwidge was fast to act without confirmation and offer (i) a \$25,000 payment to one victim only.*** For a '**deed of compromise**', to prove liability for all other remaining victims to claim. (ii) To illegally destroy all copies of the fraudulent bank loan agreement. (iii) Yes, it took Davida's inside trading scam that was similar to our previous successful passing off case to explain how Ledwidge destroyed the evidence but not the ATO money trail and the court transcripts that prove perjury and guilt. b/ Pitman, our CBA loans manager explained senior CBA management were not aware Ledwidge opened the door for the '**Site Solutions**' protection racket. **Therefore the CBA underpaid this RICO tort scam.**
- a/ **Focus on the tort.** Ledwidge said in brief "**You must seek legal advice.**" We were given multiple legal and town planning advice prior to and during the construction of our subdivision. (i) On how the '**Site Solutions**' protection racket works. (ii) How to lay town planning criminal charges via our new project engineer John Koek's report and direction via Newman's '**Community Cabinet**' / Courier Mail follow up press release promise. b/ Check Police Admin, Police Union, Prosecution and Media Departments **hidden reports**. c/ The QLS volunteered Law Reform Army Colonel / Judge Pat Shanahan as a joint consultant. Well done! d/ To move forward:- It soon became clear neither Fraud Squad Det. Sgt. Brett Heath or CIB Det. Snr. Const. Mark Hughes had no training in **RICO tort fraud**. **Hence this Police requested \$million budget to solve their abandoned case.*****
- a/ As a prison reform consultant, perhaps the most hated prisoner is the fraudster who gains the position of trust. In our case 14 Judges, 7 Supreme Court from Chief Justice Paul deJersey down. b/ Davida explained her plea-bargain was done behind CBA closed doors. Ledwidge arranged a 2yr pardon via Welford and Doonan for her 6 bank \$1.3m scam on the condition of her attorney's malpractice to destroy the CBA fraudulent loan agreement in her care **as the last known copy and our court case.** The NAB was not happy with Ledwidge for good reason. →

WHY SUPERFUND PROTECTION?

7. a/ ASIC / ATO prisoners are not treated as real criminals. They normally serve 6mths of a 3-5yr gaol term. While they boast how they will spend our superfund / ATO profits after their prison release. b/ As primary witness and victim, we agree Davida is the perfect Crown test case model, after being struck off from the Bar for life as a **QDPP Prosecution expert** and confessed MOB Barrister. Her cover up is to now claim she is an investment advisor to hide her profits from crime. c/ Check ASIC's unanswered question "**But who stole your money?**" **Find the money, find the criminals**.
8. a/ Check the Fraud Squad's shortfall to ignore Criminal Code Sect. 391 & 399? b/ Check Det. Insp. Trevor Kidd's pathetic attempt to give me a criminal record for the alleged theft of an excavator bucket. (TBC) Never give up on the truth, to mean, **press home the advantage**. c/ So far the truth has proved we are completely innocent of 3 fabricated charges of theft, child assault and child molestation. **We agree with Premier Newman's legal safety net.***** His promised Courier Mail follow up press release to remind Police Davida is waiting for her additional **criminal charges**.***
9. a/ Pitman advised **this will happen with the help of the CBA** to enforce this RICO tort reform. All CBA customers and victims can act on the CBA liability by law. This is called a win-win or Rescue Management procedure, our area of expertise. Our reform is for the CBA to listen to their staff and 3rd generation bank customers, called self help or teamwork. This reform will save the Crown and the banks \$billions. b/ Pitman was sacked on the basis with reduced staff to increase profits. **No-one at the CBA prevented this fraudulent loan agreement**, where he said, quote "**If you want the loan do as the loan agreement reads.**" To mean, to sell land without title and deposit **to gain the bank loan**. c/ Ledwidge's boss, Chris Watts had the good sense to intervene and correct the loan agreement, but it was too late.
10. a/ Pitman agreed to re-emburse our HEHS superfund victims, best known as the \$850,000 group that were required by the CBA to guarantee the loan, or a Rescue Management '**fire sale**' plan to give back our lost profit. These modified contracts were signed by the superfund beneficiaries. Ledwidge however ordered **to fraudulently rip them up**, only Tim Allen our Accountant ripped up his contract for a \$10,000 payment as further money trail evidence to confirm his '**damages report**' and to prove on average, each superfund beneficiary lost \$125,000 as part of their superfund reward. b/ Insp. Ray Loader, Doonan's Staff Officer advised "**If you had paid the \$200,000 or given 2 blocks of land the Head Contractor (bagman) Wilson would have stopped trying to beat you up. Better you had paid.**" (TBC) c/ This was the key Police Crime Report via the Rev. Michael Veary's family that the Police Admin down reported missing as more proof of Sect. 399. d/ In summing up, legal counsel advised Ledwidge's mistake was to admit liability, to try and use \$25,000 to buy his way out, referred to as throwaway money in (ATO) test cases of this kind. Must read books to train all Police on **CAUSE**:- The King of Torts / John Grisham, refer * page 326-27-42-52-58-68**381-83-86***432-71-76, **RESULT**:- Broken Lives / Estelle Blackburn (**Police consultant WA**) to expose Police Risk Management who provide **character assassination for Police protection from mistakes**. As proof, refer Solicitors Denise Maxwell and deGroot's Lawyers where mum believes, due to extortion and intimidation **she lives in fear of losing her home to the ATO before and after her death**. (TBC) This case explains our new smart Police Commissioner Ian Stewart's opinion "**Most crimes start off as a mistake.**" To mean, the CBA cover up is explained in the Fair Trading Act as proof of fraud where the CMC FOI prove they failed to support the Crown via the ATO estimated \$460,311 alleged claim.
