THE JUNIOR PARTNER SCAM!

1. For proof contact our ex-Healthequip sales Manager, superfund victim and primary witness Gary Armstrong via 0421 571 001 / 0412 220 083. In the 80's our business was booming with 500 accounts the consumers made a path to our doors. **Our success was to focus on our product range.** The down side to a junior partner, it opened the door to our most common scam:- **'sabotage'**. (Scam 1) Our new 10% partner and then sales Manager prior to computers set up a separate set of books. The partner chose a separate group who bought 10% below wholesale. The scam to send us broke so he could buy the business cheap and use this group to provide the capital, **known as a self funded scam!**
2. (Scam 2) In the 90's we sold franchises for Healthequip with combined TV advertising for the **'Do you want more'** program on 7, 9 & 10, e.g. good health, better body, relief from pain, longevity and quality of life, but greed stood in our way. A group of mainly Chemists bought franchises but set up in opposition passing off as **'Healthfitequip'**. Finally after 6yrs, we won our legal battle. The key Chemist was forced to resign from both the Pharmacy Board and Guild and paid a **penalty for his crime.**
3. (Scam 3a) All of this was too much for my then wife and 50% company director, Janice, who with breast cancer, being in charge of bad debts, freight and damaged goods to the far corners of Australia and beyond. Jan had enough and we divorced. This left Healthequip asset rich but cash poor but the sabotage and consumer fraud continued. This time in setting up our HEHS superfund as a 22 block subdivision land developer I refused to pay \$200,000 or give 2 blocks of land to the Head Contractor Rob Wilson. This scam is known as **'kickbacks and bribes'** or as the **'Site Solutions'** protection racket. I was told by Police Insp. Ray Loader, Staff Officer to Assistant Commissioner Pat Doonan, quote **"If you had paid Wilson he would have stopped trying to beat you up. Better you had paid"** (b) Davida turned out to be a MOB Barrister who used the scam to work for \$20 an hour when the going rate for our previous Barristers Barlow, Sweeney and McQuade was \$3,000 a day. **A deal you have to admit was too good to refuse.** (c) The first QDPP victim was our previous Storeman and Sales manager Gary Armstrong. He was falsely charged for our Barrister Davida Williams NAB forgery for \$198,000. Gary proved Davida was a forger, fraudster and now felon. Davida as a trained QDPP Public Prosecutor; married to a Police Insp. Sabotaged our lives and we were all but destroyed. 10yrs on creating this QLS best case for law reform. Based on the QDPP and Police Risk Management apologies; all that has to be done now is the Premier acts on his **'duty of care'**.
4. a/ In failing to pay the kickbacks and bribes I suffered an in home invasion, nun-chucker attack and extortion demand for \$47,692.97. I was then falsely charges with the theft of an excavator bucket. b/ Then charged with child assault. When Channel 7 TV News became involved, the charge in a panic was upgraded to child molestation. When in fact I was handing out Police Crime Reports in the Supreme Court Coffee Shop to expose these Prosecution scams that ensured a complete QDPP and Police Risk Management cover-up. This is also known as a Legal Services Commission insider trading. **As proof, refer to perjury.*****
5. a/ Smart Police Area Commander John Hopgood gave me CIB Det. Mark Hughes for 3mths to set out this case to lay criminal charges knowing the previous scam was to refer to our case as quote **"A civil matter outside the control of the Queensland Police."** b/ Therefore, former Premier Peter Beattie gave me his Community Cabinet and said **"Find the solution."**

promised '**criminal charges press release**' via Police Media for Prof. P. Wilson's
criminologist work experience student's report to Supreme Court, QLS & Police direction.
Thanks to the caring BCC / IID, DVA, RAAF, RSL Gold Card No QX072250. (Side 2)

We were given a QDPP release, Police Risk Management apology, a Supreme Court mediation order and a Supreme Court CBA disclosure order as to why the CBA paid me \$25,000 to admit liability **but not admit full blame**. This was officially ignored by Chief Justice Paul de Jersey in disbaring Davida for life. c/ This was best described as a CBA circus, where their Loans Manager James Pitman agreed to our CBA Rescue Management plan. The plan was to sell \$850,000 worth of land at a '**fire sale**' price to Armstrong and others from \$75,000 a block, well below cost to pass on their superfund profit in the area of \$125,000 each. As confirmed by Grahame Ledwidge for the CBA who was well aware of JF & Pike Civil Engineers valuations, that our project engineer Greg Henwood was approving extras at up to 300% over cost to fund Rob Wilson's legal costs to gain fraudulent liquidation as part of the '**Site Solutions**' protection racket. This was confirmed by Tim Allen our Accountant's '**damages report**', Engineer John Koek and Police Crime Reports reported lost by the Police Prosecution, Union and Media criminology requested reports as proof. d/ The \$850,000 figure was specified by the CBA to prove the subdivision was viable to gain the CBA approved loan. e/ Pitman said "**You must find someone in the CBA to listen to your story. Only then justice will be done.**" The good news is, a senior CBA Manager volunteered as a key witness and '**whistleblower**' but confirmed he was transferred to another section of the bank. This exposed the depth the CBA will go to, to prevent admitting full liability over their initial payment of \$25,000 used in our test case. **Also known as contempt of court with a 5-10yr jail term.*****

6. a/ In **brief, the CBA and NAB were aware Davida was a known criminal, exposed at a later date, with a 3yr prison term for her 6 bank \$1.3m scams.***** The CBA without the NAB consent via the Justice Minister Rod Welford were able to give Davida a pardon via a plea-bargain that providing Davida destroyed the bank loan agreement from our file, the last known copy, as confirmed by the Fraud Squad Det. Sgt. Brett Heath, that in his opinion, quote "**If you do not have a copy, you do not have a case.**" Judge Shanahan confirmed however the proof is in the money trail and the court transcripts. b/ Therefore, Premier Newman made a pre-election promise as a follow-up to the Courier Mail report that **Davida would be charged with ongoing criminal charges.**
7. a/ As my Mother put it, quote "**As third generation CBA customers, you would think the bank would do much better than this.**" But with the failed suicide attempt of my then partner Noelene Lambert, a nurse it only got worse. b/ Refer Police Insp. John Earea at Caloundra and his early retirement due in part to his inability to expose this '**Police Risk Management**' cover-up.
8. a/ To the present; after the past 10yrs our then local Caloundra MP, now Minister Mark McArdle and his staff were kept up to date, but it appears McArdle and his staff were apparently concerned McArdle's life and possibly my life was at risk because of the cover-up by the Qld DPP and Police Risk Management. b/ So three Police, two nurses, a paramedic and ambulance driver came to my home. I was told by my local Doctor Michael Simpson and by Michele Pathe, a Forensic Psychologist that it was standard procedure where I was locked up behind steel bars at the Nambour Hospital for 16 days so tests could be run from a CT scan, MRI and in general, for the 3rd time I had to prove I was of sound mind. I was told I could not be forced to take drugs for my believed obsessive compulsive behaviour:- to expose my Mother's 1% shareholder mortgage scam, in reference the LBB on scams, page 16, as a false invoice and proven extortion demand. If I did not take the medication, **I would be held down and given a needle and finish up like a vegetable, like many of the other inmates.** So I took the medication.
9. a/ Now proven to be of sound mind, please consider smart Supreme Court Judge John Byrne's warning "**If you are not telling the truth the penalty for this crime is a 5yr jail term.**" So consider that based on our evidence I am telling the truth and conversely the penalty for these ACCC / Criminal Code Sect. 200.205. 391 & 399, multiple scams is a minimum 5yr jail term. b/ The Crown Public Prosecutor therefore advised me, quote "**Never give up on the truth, the truth will set you free.**"
10. a/ I did not see my Daughter Belinda from age 16 to 30 due to this obvious nightmare. As simulation is my area of expertise as I said to my son Aran who plans to get married in September, please view the movie '**Rachel Getting Married**'. Obviously there is a great deal more to this story as Dr Simpson's opinion "**This case could take another 2yrs to resolve.**" To build a better QLS led (**first defend the law**) QDPP legal system. b/ **Do not defend Davida and other known criminals!**
