

HOW HOME MORTGAGE / SUPERFUND SCAMS WORK!

(AS SEEN ON TV)

Thanks to the Aus / Qld Community Cabinet and Premier Beattie to Premier Newman's solution and correction, Newman explained it the best. To break the problem up into (24) sections and **solve each section at a time.**

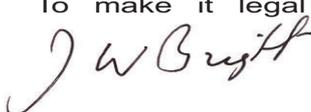

REFORM!

1. Identified by the QLS as the best case for (*education and training in laying integrated Crown criminal charges for teamwork style*) law reform.
2. Start at the top with our **banking investment scams** to our multi-billion dollar superfund industry.***
3. Study (i) the Madoff USA / SEC stock exchange scams. His reported **150yr jail term** for an \$18billion estimated loss to superfund style investors. (ii) The latest **JPMorgan Chase & Co.** as an American multinational banking and financial services holding company on-selling home mortgages known as the toxic assets scams or in the banking industry as **contract debt obligations** (CDO's). This is like DLC's, FEC's and the \$68million CBA Storm Investment scam payout. In brief:- the banks / credit regulators bundled up packages of home mortgages and gave them a fraudulent AAA+ rating and on-sold the packages to superfund management for banks to gain on average a 90% **cash return**. The superfund managers believed the home mortgages were a sound investment, but in reality the home loans were overvalued and toxic.
4. **The need is to prevent Supreme Court stuff-ups by educating and training**, for example, the CIB now Insp. Trevor Kidd, refer CC Sect. 391 as proof. Fraud Squad then Det. Sgt. Brett Heath, refer CC Sect. 399. Ignored by the LSC, EPA, IPA, CMC, DPP, ASIC / CALDB (*refer S Court Judge Margaret White and John Muir's Court of Appeal unanswered questions*). To explain how superfund subdivision developers are extorted by the **'Site Solutions' protection racket**.
5. Bikies or similar are used as the muscle to control the extortion demands, for example \$47,692 as a vexatious non approved CBA claim as part of a protection racket for an estimated \$4.4m reward.
6. Working in prison reform and R&D we just let this HEHS superfund scam run its natural course, **under Police supervision**. Referred to in the crime industry as natural or holistic justice. **We just happened to be in the right place at the right time**.*** To run a multiple community cabinet and Tim Allen our Accountant exposed \$10,000 EPA Sect. 32 sabotage test case model. (TBC) That is also identified by the ASIC / Integrated Planning Act model for the LSC / CMC / QDPP / ASIC / **CALDB** test case correction. This was due to the failed engineering SAA style arbitration seen by more untrained Police, e.g. refer Area Commander Steve Pettinger's quote **"This is a civil matter outside the control of the Qld Police."** Therefore we support the new smart Police Commissioner Ian Stewart's / Police Union's direction and **Prosecution report**.*** For further Police education and training to fix Assistant Commissioner Peter Martin's confirmed PESC mistake.

Caused by Assistant Commissioner Pat Doonan's Police Risk Management order, quote **"Due to Police availability and time this case is closed."** Known as the Police iron curtain.*** Hence, we volunteered this \$1m Police requested budget to support another Asst. Police Commissioner and senior CBA **'whistleblowers'** recommendation for Newman to use **'the Judicial Review Act'**.*** Where in total 14 Judges were tricked, cheated and deceived by Davida as a trained QDPP Public Prosecutor. E.g. Chesterman was just one of the Judges who did not follow the due process and was unaccountable in checking the details as confirmed by the Law Reform Judge Pat Shanahan for the QLS. (TBC)

7. This is also covered by the smart ACCC - LBB of Scams available free at your local Police Station, refer pg16 as the most common ASIC style small business scam. Known as a false invoice or part of a much larger **'contract debt obligation'** to most superfund investors.***
8. This was controlled by Doonan under the protection of the then Justice Minister Rod Welford, who apologised for being tricked by Davida who is a now self confessed forger, fraudster and felon.
9. To mean, (i) we paid \$10,000 for Tim Allen's **'damage report'**, (ii) we paid \$30,000 to Brad Jones as proof of the **'Site Solutions'** protection racket, (iii) the CBA admitted liability by paying \$25,000 and sacking their loans / relationship Manager James Pitman who approved a CBA Rescue Management plan for us as the developer to sell at a **'fire sale'** price to the superfund beneficiaries to a value of \$850,000 to gain approval for the subdivision loan. (iv) The bank's mistake in their loan agreement was to order us to sell the proposed subdivision **without title and deposit**. (v) Then order us to rip up the bank's **'bypass contracts'** that were provided by our Solicitor Adam Sambrook. Hence, you must study and fully understand Tim Allen's \$10,000 paid for **'damage report'**, as to how he was the only superfund beneficiary to rip up his contract, therefore he lost an estimated profit of \$115,000. (TBC) (vi) Then the CBA had Davida destroy the last known copy of the fraudulent bank loan agreement from our file, known as breaking CC Sect. 399. This is part of a fraudulent QDPP plea-bargain to prevent a 3yr prison sentence for her 6 bank \$1.3m scams, later converted to a 6mth sentence, but **this proves the QLS case of abandonment to protect the 'Site Solutions' protection racket that supplies the kickbacks and bribes to the crime cartel.*****
10. Thanks to the Community Cabinet, **Court Registrars frustration** and now Minister's Fiona Simpson, Mark McArdle and Andrew Powell actions, we are now working with Professor Michele Pathè, criminologist / mental health expert, to set out this case for the Qld Police Minister The Hon. Jack Dempsey MP and the Federal and State Attorney Generals George Brandis and Jarrod Bleijie. The Supreme Court mediation order result, was to also focus on the Fair Trading and CMC Acts to pay the HEHS superfund beneficiaries and the ATO for their lost revenue, estimated at \$460,311 where the CBA agreed to pay all legal costs due to their ongoing mistakes
TO TRY AND DESTROY OUR GOOD NAME BY THE CRIME KNOWN AS CHARACTER ASSASSINATION AND IN SO DOING PREVENT THE EXPOSURE OF THE 'SITE SOLUTION' (SUPERFUND) PROTECTION RACKET.

TO ABANDON, LITIGATE, LIQUIDATE = ALL-FRAUD.

To make it legal
