

## COMMUNITY SURVEY BRIEF

*What would you do if your Barrister destroyed your life?*

*We have been told our story is too complicated, to get it down to 10 lines.*

Think of a period of success 1941-1995 of growth, prosperity and wealth.

Then a confessed multimillion dollar fraud? How was this allowed to happen? Faced with multiple family cancer, panic at the thought of death, separation and divorce, we were left with Healthequip a successful healthcare business and a small family farm to subdivide.

The Commonwealth Bank provided an incomplete loan, **to sell land without title / a mess**. The Bank Manager James Pitman was blamed and sacked. This allowed a chain of scams. We were given legal advice that the Head Contractor's ruse was to abandon, litigate and liquidate to strip us of our assets and pride. Here is the list of confessed actors: - Dr Robert Whiting's part in a 3 year delay with 6 car bodies buried in a dam above the development, quote **"You will not put one foot on our land."** Brisbane City Council **"We are not responsible, in the case of flooding sue the design engineer."** 'Bagman' – Head Contractor Robert James Wilson court confession of guilt 422/2000-2 Holland Park. Bank Commonwealth **confessed cover-up payment of \$25,000 proves their liability**. Our Barrister Davida Williams **known by 5 names – confessed more than forgery and fraud. Why gaoled for bank fraud only? The A. G. release – not to sue Police for wrongful arrest – a scam**. CIB Detective Sergeant Trevor Kidd fabricated charges - proof criminal code S391. Fraud Squad Detective Sergeant Brett Heath covered up the in-home invasion and nun chucker attack. \$200,000 then \$47,962.97 extortion demands and a \$255,000 **'slush fund'** to create a multimillion dollar loss. Unregistered in Qld engineer – Brad Jones 'Site Solutions' **to hold subcontractors off site illegally from 4-16 months**. Bar Association – CEO Daniel O'Connor – **cover up of a Barrister's malpractice**. Solicitor - James Conomos – **collusion?** Solicitor Reg Kleidon **"I will swear in court I did the best I could."** Sisters of Mercy insisted on a **1% ownership by a borrower**. Accountant – Tim Allen for **\$10,000 gave a damages confession, CIB, SAA engineering trap planned to create a 'Dead Corporate Body' Badja Pty Ltd for court correction**. Hence Supreme Court Judge Muir's quote **"I do not understand. I need clarity."** District Court Judge Brabazon reference Barrister Davida Williams' malpractice **"Not the way to do it."** (*Davida was charged Feb02, gaoled Nov04 and disbarred for life Oct05*). Magistrate Austin **"Yes, well, I do not care what (anyone from) the Police Minister down has to say."** Queensland Law Society Judge Pat Shanahan **"Do the obvious follow the court transcript and the money trail."** Legal Ombudsman Jack Nimmo **"Forget about the money and concentrate on the law and you can win this case."** Church and witness Rev. Michael Veary **"Just keep on telling the truth."** Psychologist Dr. Frank Walsh **"It's only over when it's over and it's not over yet."** Calcare Bevan Wigham **"When working with organised crime, do so with care."** Premier Peter Beattie **"Find a solution."** Ex-Attorney General Minister Rod Welford **"Police are now in charge of this case."** Police Chief of Staff Superintendent Peter Martin and Area Commander John Hopgood **"We have read your Police Crime Reports, and agree further charges must be laid."** Supreme Court Registrar Ian Mitchell's fraudulent DPP Risk Management coverup / scam **"Throw the Police Crime Reports in the bin."** Magistrates Court Registrar Brisbane correction **"The need for a technical device."** Jones Flint & Pike (JF&P) bank engineer's previous valuation is the added valuation (*for town planning solution*). Backed up by other engineers, experts and **SAA law**. Barrister Paul McQuade **"Do not expect to get justice in the Supreme Court, always look to mediate."** Supreme Court Judges Mackenzie and White orders **"To mediate and gain disclosure."** Conclusion: Go back to the original scam of abandonment, litigation and liquidation (**all-fraud**). The act of good Government to protect our Superannuation Fund to allow us to fight to the death. Police and Union direction **"You cannot live with unresolved crime."** Hence directing to **"Write up Police Crime Reports."** See latest IPA act forum and discussion paper. **FAILURE IS NOT AN OPTION!**
