

### **Why Freedom, Liberty and Justice, the Need to Prevail?**

Solve the riddle and you solve the crime to integrate natural justice, self help and Rescue Management to prove Bank, DPP, Police Risk Management is fraud? The Premier Peter Beattie and his team engaged the Community Cabinet solution due to his quote **“We must trust our volunteers who give of their money and time (to gain closure).”** To mean, as a Solicitor to first defend the law by following clients orders and never give up on the truth, to become one team, **'whistleblowers'** to explain **the RICO Act for Transparency International Law Reform.**

- As ex-Minister Chris Cummings affectionately known as the 'Minister for Nothing', the P.E.S.C., CMC and Police Union confirm **the sad state of affairs** quote **“You cannot beat organised crime.”** To mean, **racketeering kickbacks, bribes and extortion is the way to do business.** Hence our \$10,000 payment to Tim Allen our accountant for his **'damages confession.'** Trace Sisters of Mercy rescue funds via A.T.O., APRA and *(ASIC cover-up and sacking for more details).*
- Why was this **'damages confession'** hidden from the courts? Why by our Head Contractor, **'bagman'** and primary extortionist Robert James Wilson? He confessed in the court transcripts as a form of blackmail **“If I go down lots of people will go down with me.”** Therefore Police confirm **“No-one wants to go to prison,”** to mean, **to go against the P.E.S.C., CMC, DPP Risk Management policy.** To be accountable for the \$200,000 to \$400,000 proven additional **'bagman's' kickbacks.** To mean, once committed to kickbacks and bribes as part of the confessed Commonwealth Bank circus **this perpetuates organised crime.** This has prevented fraud charges from being laid despite Supreme Court Judge Byrne's warning that the penalty for this crime is a five year gaol term. This only caused Police Risk Management, the P.E.S.C. and Police Union to be more proactive as quote **“The way to do business.”** To throw the proven innocent or defendants out of a Police Station is illegal. Refer our Police Crime Reports.
- To give you clarity, Magistrate Austin ruled **“I do not care what (anyone from) the Police Minister down has to say.”** There-in lays the clue and the solution. What did the Police Minister Judy Spence have to say **“Most projects I work on finish up on budget, some finish up under budget.”** Hence the Crown, Q.L.S. direction quote **“Follow the money trail,”** the obvious hidden accountants report and ask where did the money go then you have the solution. Leaving the door open for Judy Spence's 1) **wake up call,** 2) **correction,** 3) **cure.** To mean, to be the **'Minister for Something'** / the RICO Act, **to acknowledge the Police checklist as the way to do business.** As the Police Commissioner Bob Atkinson and the B.C.C./I.I.D. and now **I.P.A. forum request for key witnesses to get involved to do our duty.**
  1. Hence to acknowledge the Police Minister's **wake up call,** the need to study both criminology and law to identify **the Attorney General's release not to sue the Police for wrongful arrest.** This is the signal, sign, model or meaning of this I.P.A. test case. To mean, Detective Sergeant Trevor

Kidd's then action to charge the developer John Bright to try and give him a criminal record. For the standard scam used over and over in the Police Force as standard Risk Management fraud, **who would believe a defendant who is proved to be a criminal?**

2. **The correction: to always protect our good name as we protect yours.** Known as the balance of law. Hence the Crown, Q.L.S. direction with this test case / stress test / **to push Chief Justice Paul deJersey and the law to the limit.** To go to the next step, **now that we are proven innocent the Crown Q.L.S. rule "We must prove guilt."** How is that possible? Judge Pat Shanahan ruled **"You must prove abandonment is fraud."** The correction lies with Fraud Squad Detective Sergeant Brett Heath. **The need for his disclosure of his cover-up. His only interest was to confirm all evidence / copies of the illegal bank loan agreement had been destroyed. All copies were handed to the now proven ex-DPP Barrister / Prosecutor felon, fraudster, and forger Davida Ellen Williams who ensured that we lost millions of dollars and as both buyers and developer, our lives were destroyed.** Hence the principle of natural justice / patience and time to identify the RICO Act for antiSLAPP. Brett Heath followed the Attorney General Minister Rod Welford's direction **to defend Davida Williams** in her conspiracy with Grahame Ledwidge who confirmed in his written quote **"The bank does not give disclosure to banks business."** Hence the bank's Solicitor Clarke and Kann Supreme Court affidavit 4461/2001 setting out the details in brief why Grahame Ledwidge paid \$25,000 as a bribe and sacked the Relationship Manager James Pitman. James directed **"If you want the loan, do as the loan agreement reads."** To mean, to sell land without title and deposit. Today this form of blackmail is acknowledged as a bank 'Deed of Compromise'. **To mean, for developers and buyers to self fund organised crime using bank credit referred to as budget blowouts.** In our case resulting in buyers signing 'contracts to a contract' **but never owning their land. The fraud being, losing around \$125,000 a block.** Chris Watts mediation expert for the Commonwealth Bank acknowledging this mistake, giving the solution quote **"We must defend our mothers at all cost."** To mean, the basis of law quote **"To call in all the defendants, witnesses and experts."** As with the Commonwealth Bank conspiracy to call in the DPP and Police network funded by organised crime. The cure is explained in the detail of Brett Heath's investigation. Once he confirmed all our copies of the fraudulent bank loan had been destroyed and the rogue risk bank manager Grahame Ledwidge refused to give disclosure Brett then proceeded to fraudulently miss-represent the Police Minister. His quote **"We all lose money, do not expect us to do the work for you. Get your (RICO) act together or you will be out the door so fast your bum will not touch the ground and I will be happy to tell my inspector."**
3. The cure. Inspector Ray Loader's statement **"If you had paid the \$200,000 or 2 blocks of land, the Head Contractor (confessed**

**'bagman' / thug) Rob Wilson would have stopped trying to beat you up and the chance of you meeting the Police Assistant Commissioner Pat Doonan will not happen."**

- You must ask the obvious question, who are we? Our area of expertise is prevention / systems management called **'the teach the teacher principle.'** Having run seminars at an international level and sponsoring numerous trade delegations from Asia, we are best understood as a University Degree called **'simulation'** – the open door policy as the Premier and Lord Mayor explain it as a **'smart state' 'can do'** policy. Hence the integration of town planning, Standards Association of Australia rules and regulations, the E.P.Act, the new water ministry, the BSA and criminal code. To give an insight of what is needed in part (*referred to as information overload*) to support the Police Commissioner to gain the cure for the Police Minister to achieve her goal to finish on budget or below in line with the Crown, Q.L.S., B.C.C./I.I.D. direction via the RICO Act as ordered.
- The reason for this is as the Police Commissioner Bob Atkinson confirmed in brief, he will have to go up against Assistant Commissioner Pat Doonan now in charge of the Sunshine Coast. The Assistant Commissioner stating quote **"I closed your case; as the senior Police Officers in charge of your case have retired."** Meaning Area Commander Superintendent John Hopgood for the Wynnum area and acting Area Commander Inspector John Earea for the Sunshine Coast. Doonan adding **"I overrule Chief of Staff Superintendent Peter Martin."** Peter has offered his support, as it's obvious Davida the felon achieved her goal to run this case out of time as part of a standard DPP scam, officially confirmed by Peter's direction when he was forced to rule **"Due to Police availability and time this case is closed."** The Police Commissioner Bob Atkinson via Police Crime Reports 261-2 and the BSA is obviously aware of the ongoing thuggery, violence and intimidation in the building and construction industry. Hence his ongoing support. As the key issue was to get Davida into prison and to follow the Police checklist by the due process of law reform which is progressing thanks to the Integrated Planning Act. (*Well done!*) Police advising **"We do not change the law."** We wait for the Lord Mayor's promise to write a press report by law for law reform. To backup the Police Minister, to support the Police Commissioner and Attorney General's Department as this Integrated Planning Act discussion paper provides the mechanism to bring closure.
